

An industrial-duty, rechargeable, portable lantern that produces a 469m spot beam. Choose high mode for more light or low mode for longer runtime.

3 white LEDs and deep dish parabolic reflectors to produce a large spot pattern; optimized electronics provide regulated intensity
Two levels of lighting: – High: 540 lumens; 469m beam distance; runs 7 hours – Low: 330 lumens; 358m beam distance; runs 15 hours
Standard System – International safety orange or high visibility yellow: includes shoulder strap; includes AC and DC chargers and charge rack
Vehicle Mount System – International safety orange or high visibility yellow: includes vehicle-mountable hard-wire rack and shoulder carrying strap
Power Failure System – International safety orange: “Smart” power failure circuitry automatically illuminates when the power goes off; includes AC and DC charge cords and charge rack
IPX4 rated for water-resistance

Rack meets requirements of NFPA 1901-14.1.11.2 (2016) mounted in any position
11.5 in. (29.21 cm); 7 lbs (3583.38g)
Limited Lifetime Warranty Visit streamlight.com for full warranty information
